Headmaster

To the Class of 1982:

The impression that most people get about a school tends to be based on several factors including its facilities, its faculty and its students. You, as seniors, have helped in many ways to present an image of friendliness and quality which has enhanced this school year for us all.

You recognized at our outing at the Tall Pines Camp in early September that you can be and were leaders of the school community and you exercized that responsibility in a variety of ways: as team captains and participants, as dramatists and musicians, as senior speakers, and student council members, as student activity committee members, and Safford Center conversationalists. There were a great number of ways you affected the year and made it one of the best yet.

During this next year, you and I were sharing our first experiences in roles of new responsibility. Your spirit and sense of warmth toward the school helped me, the faculty, and other students to approach this year of adjustment with enthusiasm and caring. For that, and the many good times we had together, I thank you.

It was your spirit that the Commencement speaker, Bill Caldwell, spoke of that is the "the dominant factor in our whole lives. Like the wind, you can't see it but you can see what it does."

I hope you will maintain that positive spirit in your everyday lives and that you will remember the Academy as you go out into the world.

Warm regards and best wishes!

Dedication

As editors of the 1982 North Yartmouth Academy Yearbook, and in our short time here as students, athletic participaters, and all around observers in the N.Y.A. community, we had a difficult time in making this years dedication. Of all private day schools in Maine, N.Y.A. is known as the one place where the entire school community is closely associated with one another. We were confused this year as there was not an easy choice of who would receive the dedication.

Perhaps it is because of the sense of closeness everyone at N.Y.A. feels towards their peers and the unique group of faculty members. We can't be sure. However, there is one thing we can be sure of-the fact that there are many here, sitting in this assembly, who have spent a considerable amount of time in preparing us for the future. For their efforts, numerous individuals certainly deserve the recognition of the entire yearbook staff as well as the entire school. This year we have decided to single out one individual worthy of this award.

Before we name this specific person, we must first ask ourselves just what the dedication of the N.Y.A. yearbook means. Who is deserving of this award? The person who has spent the longest amount of time here? The individual who works the hardest? The most dedicated coach or most "spiritual" and "moral" person? We do not know.

The person we have chosen is one that might think that she doesn't deserve this recognition. In our minds we feel that she is a woman who has contributed as much of herself to an institution like N.Y.A. as any of us here.

The dedication of our N.Y.A. Yearbook goes to a woman who has given her many talents to the betterment of the school. This woman contributes so much that she is never left with nothing to do. Since her arrival to North Yarmouth Academy four years ago her ability to communicate with the students has made her one of our faculty members who we can closely talk out our problems with. Some of us don't think of her as a teacher, but more as a friend. Her many courses are well organized and have helped us prepare for college level work. She is always concerned with the development and growth of maturity in all of her students. If she isn't in the classroom teaching her many different senior classes or on the sidelines cheering for the athletic teams, she is forever helping those seniors who haven't done anything about college preparations.

This year the dedication of the North Yarmouth Academy Yearbook goes to a woman who teaches four English classes and one freshman section. Congratulations and many thanks to Mrs. Anne Johnson.

This above all, to thine own self be true,
And it must follow, as the night the day,
Thou canst not then be false to any man.
-Hamlet

I shall be telling this with a sigh Somewhere ages and ages hence: Two roads diverged in a wood, and I-I took the one less traveled by, and That has made all the difference.
-Robert Frost

To laugh often and much; to win respect of intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate the beauty; to find the best in others; to leave the world a bit better, whether by a healthy child, a garden patch, or a redeemed social condition; to know even one life has breathed easier because you lived. This is to have succeeded.
-RWE

"Once there were four people named Everybody, Somebody, Anybody and Nobody. There was an important job which Everybody was asked to do. Altho-Anybody could have done it. Nobody did it. Somebody got upset about that because it was Everybody's job. Everybody thought Anybody would do it, but Nobody realized that Everybody didn't do it. In the end, Everybody blamed Somebody, Nobody accused Anybody-and the job was never done."

Does this sound familiar to anyone?

You and I side by side have watched the years go by; through thick and thin there's always been a friend for me in your eyes. -Livingston Taylor

A time to hear the oceans
A time to see the skies
A time to close my eyes
Just be real . . .
A chance to run and roam
A place that I'd call home
A woman and child my own
Just for me
Just be free
A chance to reach the stars
So little yet much more
Something I can really hold on to
A love to take with me
A hand to guide me
All I ever wanted was my life
All I ever wanted was my life
A time to work and play
A time to live and learn
A time to find myself
All I ever wanted was my life.

"People say I'm crazy, doin what I'm doin;
Well they gave me all kinds of warnings to save me from ruin.
When I say I'm O.K., well they look at me kind of strange; surely you're not happy now, you no longer play the game.
People say I'm lazy, dreamin my life away;
Well they give me all kinds of advice, designed to enlighten me.
When I tell them there's no problem, only solutions, well they shake there heads and look at me as if I've lost my mind.
I tell them there's no hurry-I'm just sitting here doing time.

The 1982 N.Y.A. soccer season was quite successful this year with a record of 12 wins, 7 losses, and 1 tie. Even though the team had lost several seniors, the junior class last year provided many skilled athletes who carried their skills over to this year. The team started off with a strong and winning beginning. Also this year, N.Y.A. was lucky enough to obtain a foreign exchange student, Anders Lisnell, from Sweden who helped considerably to the scoring in each game.

Partially through the 1982 season, the team suffered many injuries which hindered the winning success to a minimum. With right fullback Fran Norris and striker Anders Lisnell out for several games the team had to turn to a young group of skilled underclassmen, who in their positions, preformed exceptionally well. Nevertheless; the constant scoring by co-captain Bill Alie, Anders Lisnell, Willy Hazard, Keith Russell, and Jeff Morton, and the strong defense of Goalie Christopher Foster, fullbacks Eric Weinrich, Fran Norris, and Gib Palmer, the team became one of the top eight teams in their class and participated in the State of Maine Championships.

After a long and tedious game with St. Dominics at our home field lasting into overtime and then into alternating seventy corner kicks, the N.Y.A. Panthers were destined to play Georges Valley in the semi-finals of the State Championships after scoring the final goal on the seventieth kick. Unfortuneately after another long game without any scoring on either side, the opponent scored twice in over time, ending the season on a good note. Thanks to the coaching by Mr. Morris and his helpers Mr. Curtis and Mr. Briggs, the success of the team was made possible and a reality.

The 1981 girls field hockey team had a season of new beginnings. With a new coach and only five returning varsity members, the team had many positions to fill. Filling these position were thirteen inexperienced underclassmen, many of whom had never seen a field hockey stick and who began the season with eagerness.

The team rapidly developed skills through hard work. Although the first few games were frustrating, the team began to change the tide of events when it achieved its first victory over Oak Grove. A lone goal by senior center-forward Elizabeth Chapman defeated the once victorious Oak Grove. The next few games against tough opponents allowed the team to improve in skill and sportsmanship.

The teams second victory came in an incredible exciting overtime game against arch-rival Waynflete. After one overtime and in the third round of penalty shots, Elizabeth scored. The team had finally downed 'the green machine' on home turf. During a later game, left inner Karen Doughty and left wing Cyrene Hooper proved to be offensive standouts scoring two goals in a close 2 to 1 win over Hebron. Captain-elect Lisa St. Lawrence also proved to be valuable as right-wing centering several shots to keep the offensive pressure on.

Defensively, there were several outstanding players. Throughout the season the girls were led by the enthusiasm and skill of senior captain K.T. Gove. Strong with K.T. were two talented fullbacks: Serrene "Karky" Karkos and Joanna "Tiger" Gove. Both worked as sparkplugs to keep the pressure off K.T. and to send the ball to the awaiting half-backs Andrea Gove, Calista Hyde, and center-half standout Jane Hamilton.

The team demonstrated that it had a lot of spunk and drive. The record only reflects the score, as the spirit of this team can not easily be measured.

For the first time since 1979 NYA had a womens cross country team. Our first meet was an overwhelming win against Buckfield. After this, however, unfortunate circumstances weakened the team. The number one runner, Julie Fitzgerald, suffered from penumonia early in the season but made a remarkable comeback for the regional, state, and MAISAD meets. Diana Dietrich showed incredible strength during the season. She ran as our number one for the majority of the season until she collapsed at the MAISAD from a leg injury. Two first year runners, Tracy Leeber and Nicky Morris, added depth, dedication, and spirit to the team. A great deal of credit must be given to Allyson Palmer, Jessica Church, and Dee Lindsey, all eighth graders who ran distances greater than expected of them and ran against girls much older than they. Even so, all three showed great promise. The standings for the season were 1-3-0. The team went to the state meet after placing 3rd in the Regionals. Julie Fitzgerald placed 3rd and Diana Dietrich placed 10th in the MAISAD. Field Hockey player Jane Hamilton, put in a great effort at the MAISAD, placing 15th. We look forward to another enjoyable season with Mr. Hudson to guide us. With six returning members, four of them seniors, we hope for a winning season.

1981 MAISAD Cross Country Championships

Varsity Men's Cross Country compiled a record of nine wins and seven losses for the 1981 season. For the four seniors who were members of last years 13-2 club, this was a disappointing end to their NYA career. As for the six underclassmen, it was a year of valuable experience and a fine beginning to what will hopefully be as successful a career as their predessors.

The season began with the opening of pre-season training and the traditional triple session workouts of L.S.D. (Long Slow Distance). Joining senior veterans Chris Zitnay, Jeff Peacock, Rob Goodbody, and Kitt Scarponi were members of last years J.V. team: Chris McDermott, Bowdie Austin, Scott Mahar, and Sean Sutherland; and three newcomers: Savo Wise, Mark Kemper, and Chris Swan. With the close of pre-season, the team was shaping up with a strong combination of experience and youth. Its potential was better than even last years team and Coach Hudson was looking forward to both MAISAD and S.P.A. championships. Unfortunately that potential was never tested as injuries and illnesses meant the loss of Scarponi, Goodbody, Wise, Swan, and McCarthy. Filling the gap and doing a fine job were McDermott, Mahar, and Austin. The last half of the season, including the MAISAD and the S.P.A. Regionals, was frustrating as injured runners tried to return and compete. Although the runners such as Swan, McCarthy, and Wise did return, they could not perform their best.

Finishing with a winning record, the 1981 Cross Country Team suffered many trials and tribulations but never lost its pride and winning attitude. The leadership of Captain Chris Zitnay and the outstanding personal record of Jeff Peacock, the first N.Y.A. runner ever to qualify for the S.P.A. State Championships, combined as a positive force which held the team together. This winning attitude, along with the experienced returning underclassmen, should bring another fine team next fall.

HOCKEY

The 1982 version of the North Yarmouth Academy Varsity Hockey Team lost to Lewiston High School 6-2 in the final of the state Class "A" ice hockey championship played on Saturday, March 6 in Lewiston. The Panthers had defeated St. Dom's 3-1 in a Wednesday, March 3, semi-final match to reach the final.

The Panthers Pucksters were the third seed in the Class "A" tournament having finished in the season with a record of 13-7 in the M.I.H.L. and 18-9 overall. It was the first appearance in the state championship game for a North Yarmouth Academy hockey team, and the 18-9 slate was the best in academy hockey history.

Senior Captain, Fran Norris, lead a defensive corp which included seniors Gib Palmer and Anders Lisnell, Sophomore Bob MacQueston and freshmen Murray Sparks and Eric Weinrich.

Senior center Bill Alie anchored the "gold" line which included team scoring leader Paul Belliveau, one of the top point getters in the state, and alternating wings Brent McLeod and Jeff Morton.

The "red" line, centered by Keith Russell, and flanked by Mike McHugh and Ryen Munro, provided the most balanced scoring line on the team.

Sophomore Jim Skillings centered the "blue" line which also consisted of wings Scott Holdsworth and Joe Thornley. Junior Matt Gove and senior David Thurston worked in as regulars in various parts of the season.

Freshman goaltender Sean Carroll compiled an impressive 3.30 goals against average over the course of the season and played every minute of the teams 27 games.

Five Academy skaters earned post season honors with Fran Norris and Eric Weinrich as defensemen, Paul Belliveau as a forward and Sean Carroll as a goalie on the All-State Team. Bill Alie received Honorable Mention Honors and Coach Good was voted Class A coach of the year.

The Panthers lose six seniors through graduation and return twelve lettermen for next season. Paul Belliveau and Ryen Munro are Co-Captains elect for next season.

Congratulations Panthers on a banner year!

— Coach Good

This years Varsity Basketball Team consisted primarily of last years returning players; with a few new faces. On the starting five, Chris Chabot, John Fanning, and Kit Scarponi returned. Two new players, center Sam Crosby and forward Savo Wise, were an added punch to the team. The second team consisted of three sophomores and two freshman, all ready to play with desire and hustle at any time during the games this year. Similiar to last year, the scores were often lopsided with the exception of two intense and very close games against North Haven, which we split. Senior Lenny Cummings helped Coach Jim Briggs with the second string players. Coach Briggs is looking forward to a brighter upcoming season since most of the returnees will be attending the summer basketball training camp. While our season was not exactly a winning one, the players and the coach in particular, displayed team spirit, hustle, and patience throughout the entire season. Best of luck to the upcoming seasons.

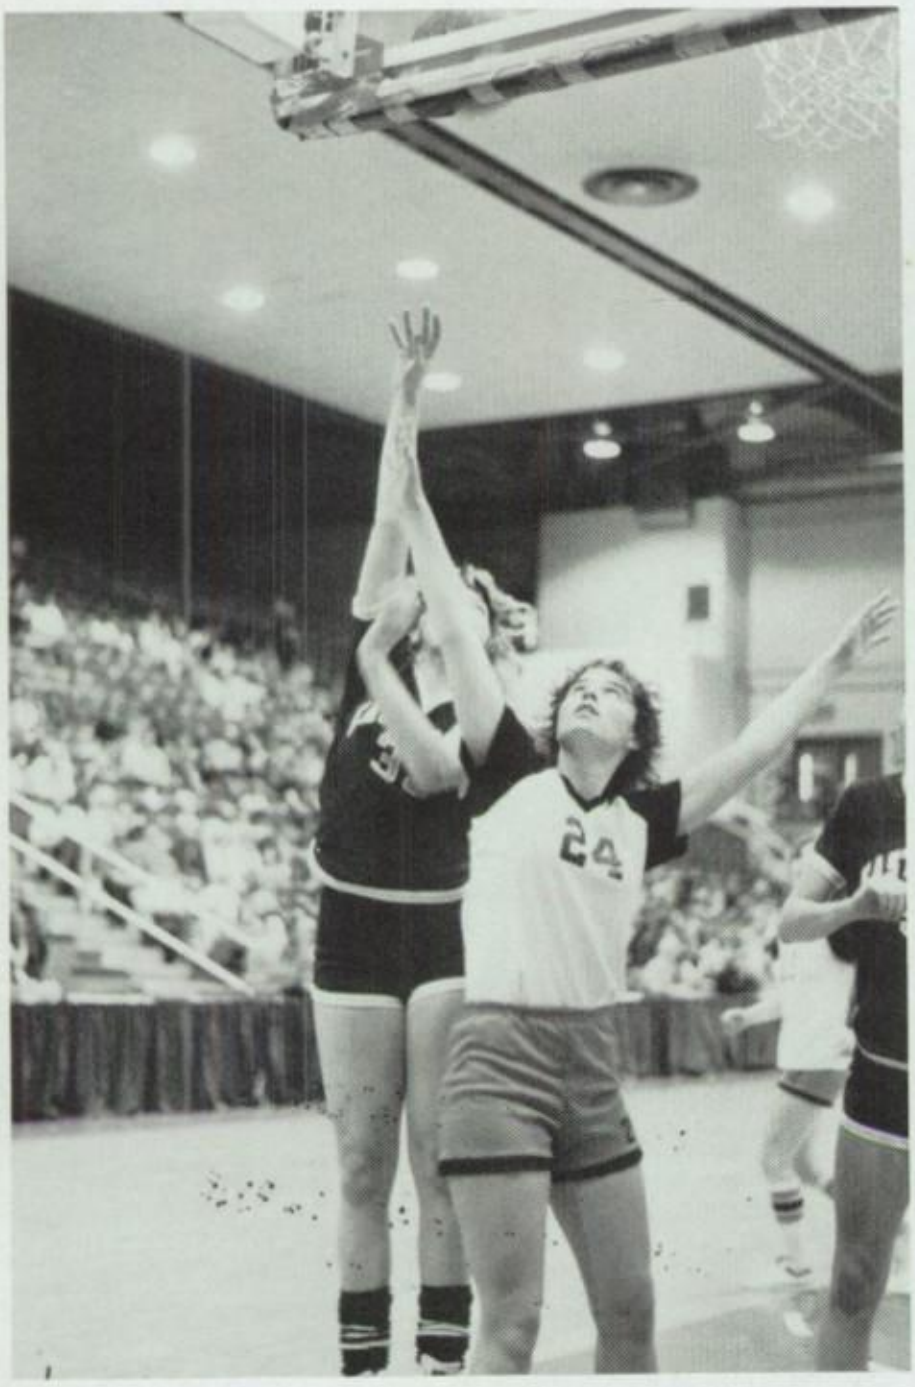
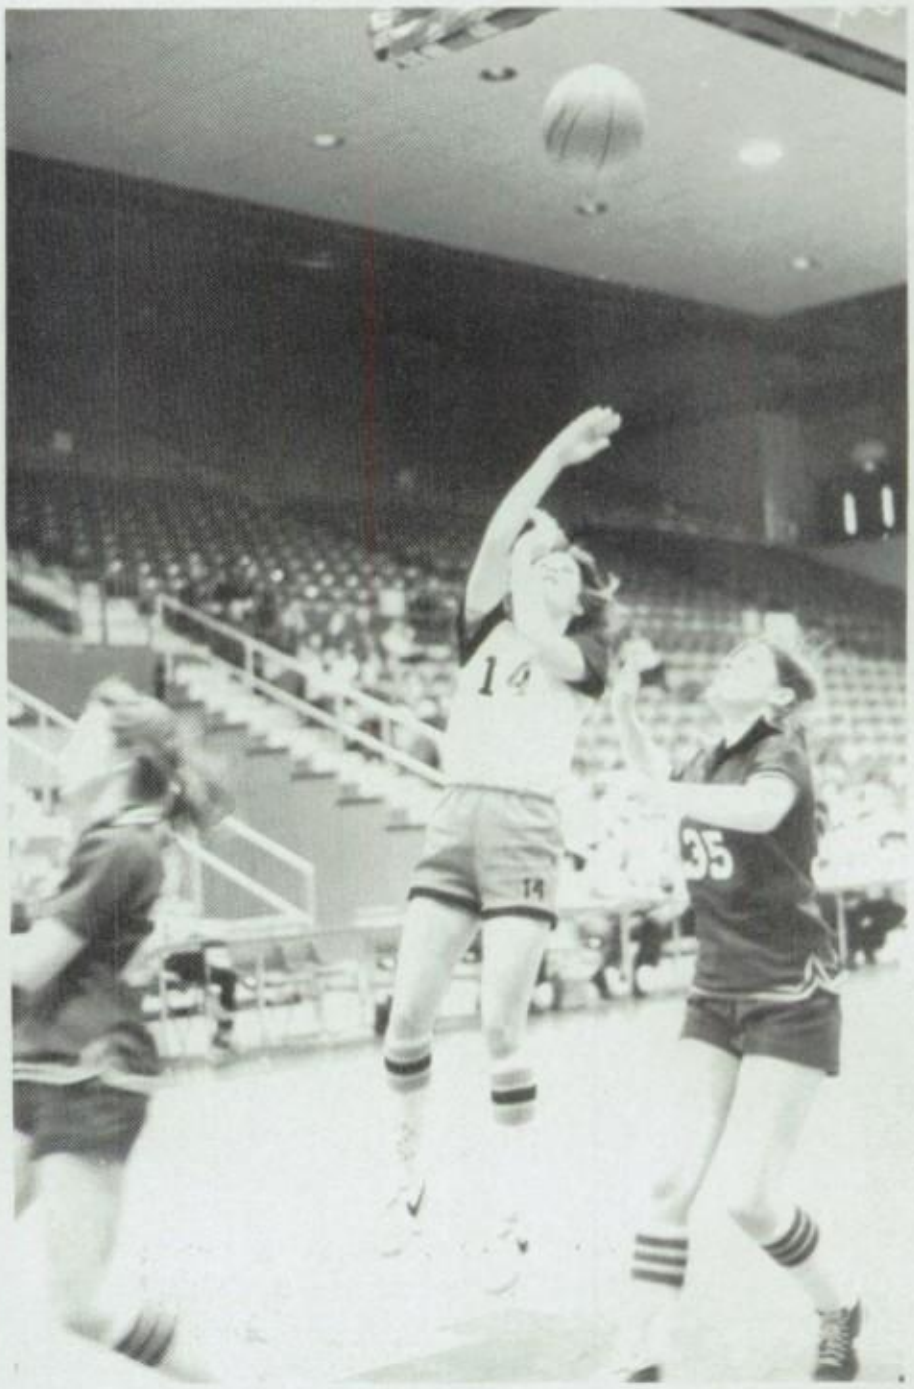
BASKETBALL





The 1981-82 Varsity Basketball Team had its best season yet this year, finishing the season with a record of 15 wins and 3 losses. This record enabled them to enter the S.P.A. Tournaments seeded #1, which had never before been accomplished by any team at the Academy. The team captured a victory over Valley and rival Vinalhaven which led the team to become the Western Class "D" Champions. The excitement heightened with the approaching match against East Grant School. The NYA girls lost in a very well played game to East Grand; the girls, however, will never be forgotten for their superb sportsmanship as was demonstrated in the Championship game. The team was given the Class "D" Sportsmanship award for the 1981-82 season.

Throughout the season co-captain Katie Sheehan and Karen Doughty controlled underneath along with Charlotte Smith and Jennifer Lane. When a cool head was needed, point guard Serene Karkos was there usually assisted by Jane Hamilton and Dee Lindsey. Tracy Leeber and Amy Lindsey played various positions when they were needed, and their spirit and cheering added a lot to the team. Meg Horan and Diana Deitrich showed much improvement throughout the season with it climaxing in the tournaments. Both Katie Sheehan and Karen Doughty will sadly be missed next year. The team, however, is inspired by its Co-Captains elect, Serene Karkos and Charlotte Smith. Coach Morris feels that with the girls he has for the 1982-83 season, the championship could become a reality.

The Varsity Baseball Team compeled a record of five wins and seven losses during the spring. The team plays in the Western Independent League of the S.P.A. as well as facing formidable opposition from prep schools such as Bridgeton Academy. Of note this year was the capturing of the Class C State title by Fryeburg, a member of the S.P.A. League attesting to the quality of baseball played by N.Y.A. opponents.

This year's team was a young one with only two seniors departing. Captain Fran Norris, used at first base and catcher as well as supplying power to the line-up is leaving as well as Bill Alie, a solid third sacker and singles hitter. Lenny Cummings and Mike Bruni, both five year men, are also leaving with Lenny having contributed much to N.Y.A. baseball in his time at the school. Returnees include Steve Pratt at second, captain elect Chris Swan at short, Brent McLeod, Joseph Thornly and Steven Broburg in the outfield. Also returning are catcher-pitcher Eric Weinrich, joining outfielders Frank Crooker and Joshua Wolfe as well as utility infielder Scott McQuesten. A good spring in 1983 could spell success for these young, talented baseball players.

The 1982 season starts out quite well with the players quickly getting back into the swing of the game. The hardest part was the initial three weeks practicing in the gymnasium, because of the harsh April winter snow storm which delayed our necessary practices. Our team was a constructive team in which most of the team was returning from the 1981 Lacrosse Team and a few new players. This years squad was led by co-captains Gilbert Palmer and Merrick Matthews both graduating this year. Offensively, Gib Palmer, Ryan Muroe, and Jeff Morton led a smooth and effective attack line backed up by two and a half mid-fielders. The middies were very flexible when working with different lines. Middle Rob Tracy displayed fine handling skills along with Guy Morton, Jeff McCarthy, David Thurston, Shawn Carol, and Jimmy Skillings, Matt Gove, and Peter Waning. Our defense was anchored by senior Chris Zitnay in goal, crease defensemen Matt Jeton and wing defensemen Bob Macqueston, Don Sharaf, and Shawn Downing. All the defense showed a definite mark of improvement over last season and over the recent spring. With a rather good season record, especially the prideful victory over Hyde Varsity, the team can boast of strong and experienced returning club next year.

The 1982 Varsity Softball Team enjoyed their best season yet. Our overall record of 6-8 and the winning of the Maisad League with a record of 5-1 exemplifies their determination and pride. Lead by CO-Captain Katie Sheehan and Jane Hamilton, the team yielded few errors and produced many runs. Dee Lindsay and Serene Karkos provided a powerful pitcher, catcher combination, resulting in low runs against average. Second baseman Tracy Leeber and short stop Amy Lindsay with their all around team play rounded out a strong infield. The outfield was comprised of Karen Doughty in left, Julie Fitzgerald in center, and senior Elizabeth Chapman in right. All fielding was played with excellent gloves and strong arms. Chapmans enthusiasm and hustle will be a spot not easily filled. Others seeing action and support where J. Lane, K. Luce, E. Schroeder, and M. Horan, all of whom have a bright future ahead, with continued determination and improvement.

This years Womens Tennis Team was their first team in four years and even though they were all new to high school competition they did well. The team was composed of six freshmen, Andrea Gove, Stephine Hart, Chris Priser, Desiree Pullen, Laura Haney, and Amy Knock, one eighth grader, Jessica Church, and only one upperclassmen, Charlotte Smith. It was a very short season with four out of five matches played in one week. One disappointment of the season was the forfeit to St. Doms because of being one player short, we lost (3-2). In the rematch the following Tuesday the team proved themselves by easily winning (4-1). Even in losses we had close sets with 7-5,6-4 scores. A comment most often heard was "You mean she is only a ninthgrader?" or "You mean that doubles team is an eighthgrader and a ninthgrader?" and "You are going to be great team down the line."

This year was a good start for the girls and the years to come promise a lot. The wins and losses do not tell of the skill of the team. Led by captain Charlotte Smith, Womens Tennis looks forward to a successful season next year.

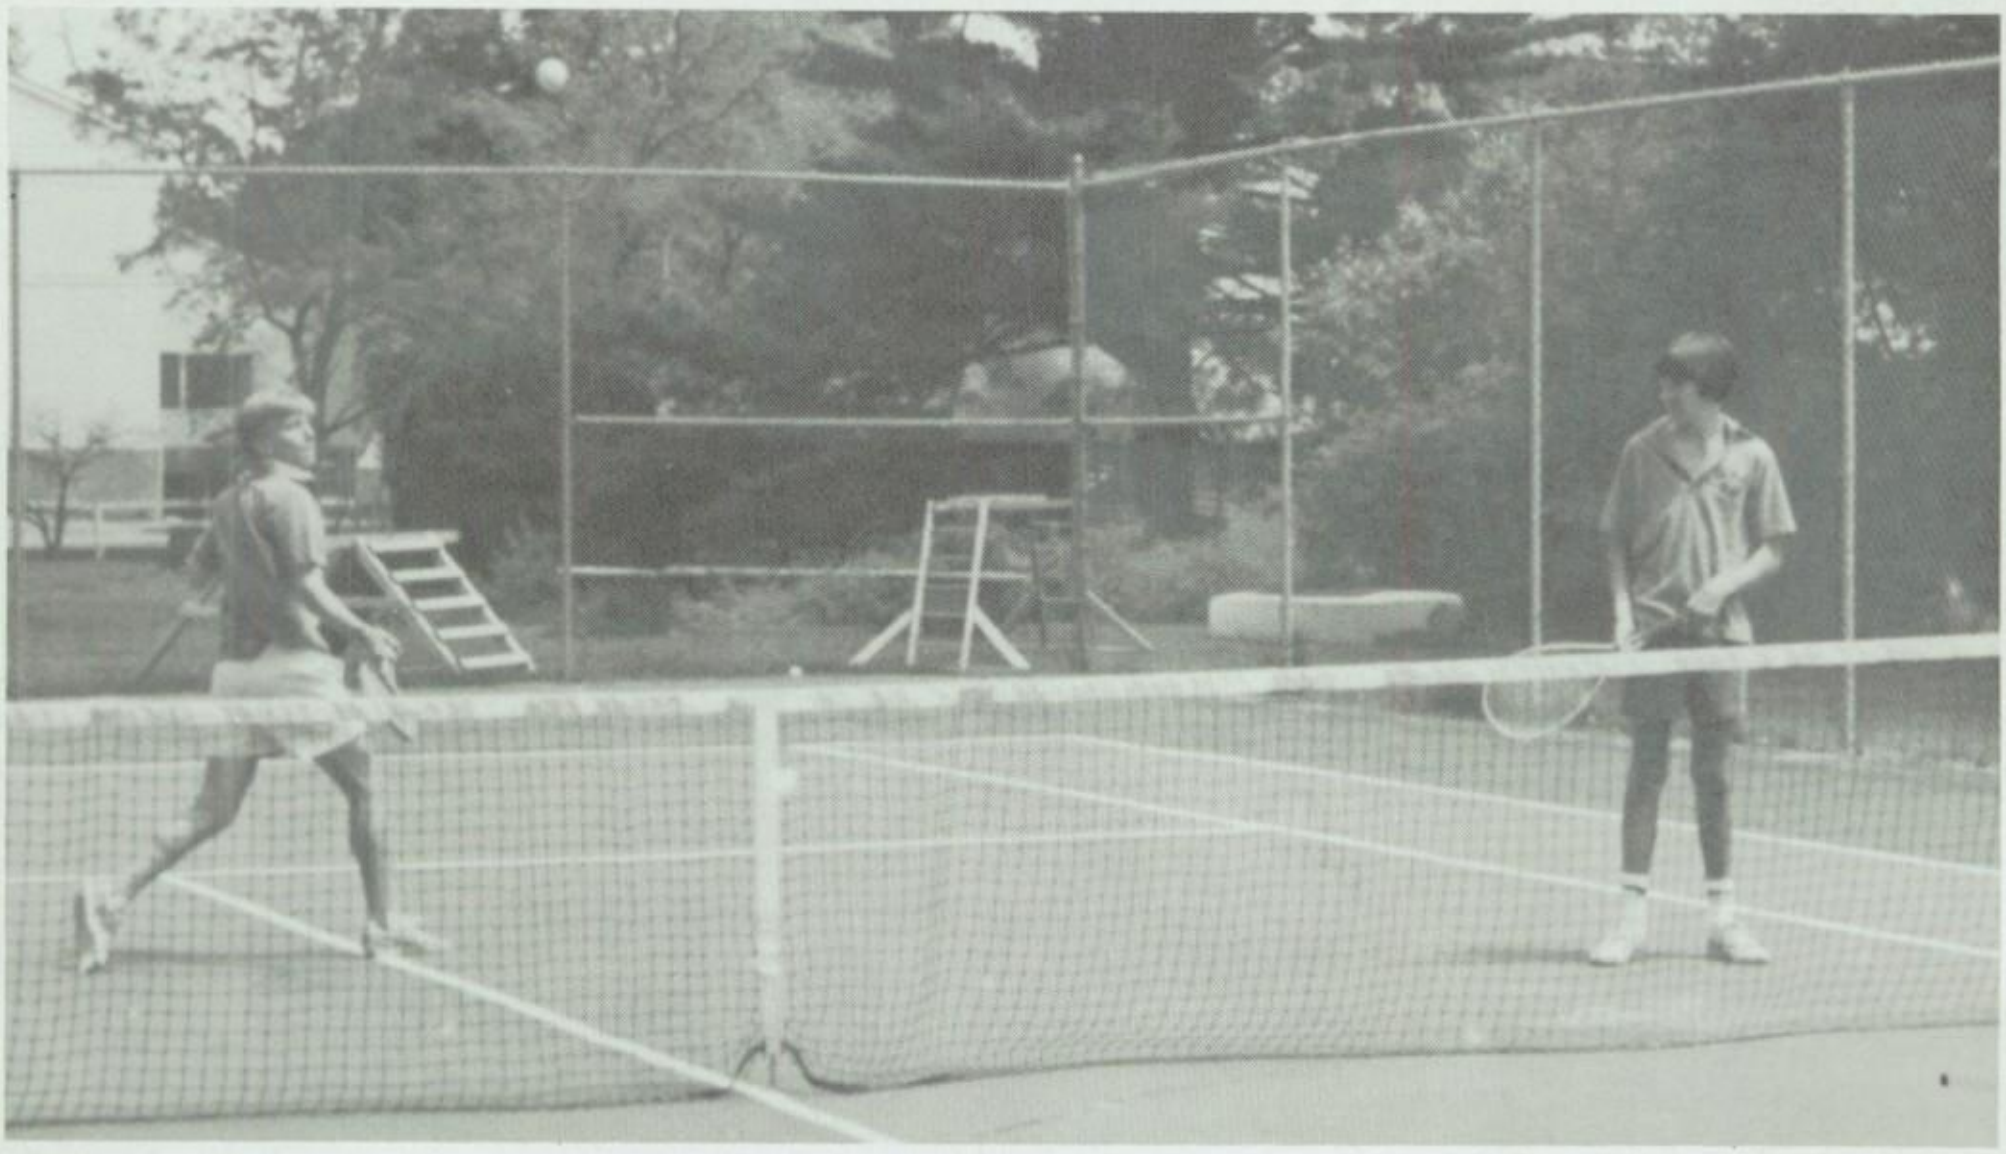
TENNIS



A young Varsity Men's Tennis team enjoyed a successful season in 1982. With almost an entirely new team, many good matches were played with close outcomes and fine tennis.

The season began with a foot of snow on the courts and only two veterans from last years team. Twelve new faces appeared to try out for the team and, after a few days of shoveling and a couple days of indoor court time, a team of nine was established. Mainly an underclassman group, the team was made up of 8th graders Scott Mahar, and "Doctor" Tom Harper, 9th grader Andy Walsh, 10th graders Keith Russell, Chris Beck, and John Fanning, and 11th graders Will Hazzard, Mike McHugh and Chris Chabot. Veterans Chabot and McHugh, doubles players last year, were thrust into the number one and two singles spots. Joining them at third singles was middle school ace Scott Mahar. Although the singles had a losing record for the year, all three won their share of matches and gained valuable experience for future years. The doubles teams were the deciding factor in many matches and compiled a winning record for the season. The teams were made up of Fanning-Walsh as first doubles, Beck-Hazzard as second doubles, and Russell-Harper as the third doubles.

The season record, six wins and eight losses, was better than the last three years and the best ever since N.Y.A. began competing against PG powers Hyde, Kents Hill, and Hebron. The last match of the season, a 3-2 loss to Kents Hill, was the closest N.Y.A. has come to one of these schools. Fortunately, with the entire team returning, N.Y.A. should have a fine season next year and hopefully make the break through against the traditional tennis powers.

Drama

This year the drama group preformed the play "Dracula". Under the direction of Dr. Putnam the cast and stage crew spent three weeks rehearsing and building the play. Their efforts were by no means in vain. The three performances went smoothly and the sets were more elaborate and realistic than in any other performances in years past. Chris Zitnay held the lead role as Dracula and with the aid of ghoulish make-up, his appearance was strikingly visible. Lisa Hodson played the part of Renfield, fly eating maniac, Brant Nelson played Dr. Seward, of the concerned father of Lucy Seward portrayed by Nicola Morris, John Kelly played Dr. Van Helsing the hero whose intelligence untimately defeats Dracula. Tom Hoopper portrayed the lovesick boyfriend of Lucy, Greg Russo played Butterfield, the keeper of Renfield and Sonia Gendron played Lucy's maid. The stage crew under direction of Julie Fitzgerald consisted of many enthusiastic and energetic students who did an excellent job on the set. The play went exceptionally well and received excellent comments from all who saw it. Best of luck to the future endeavors of the NYA drama group.

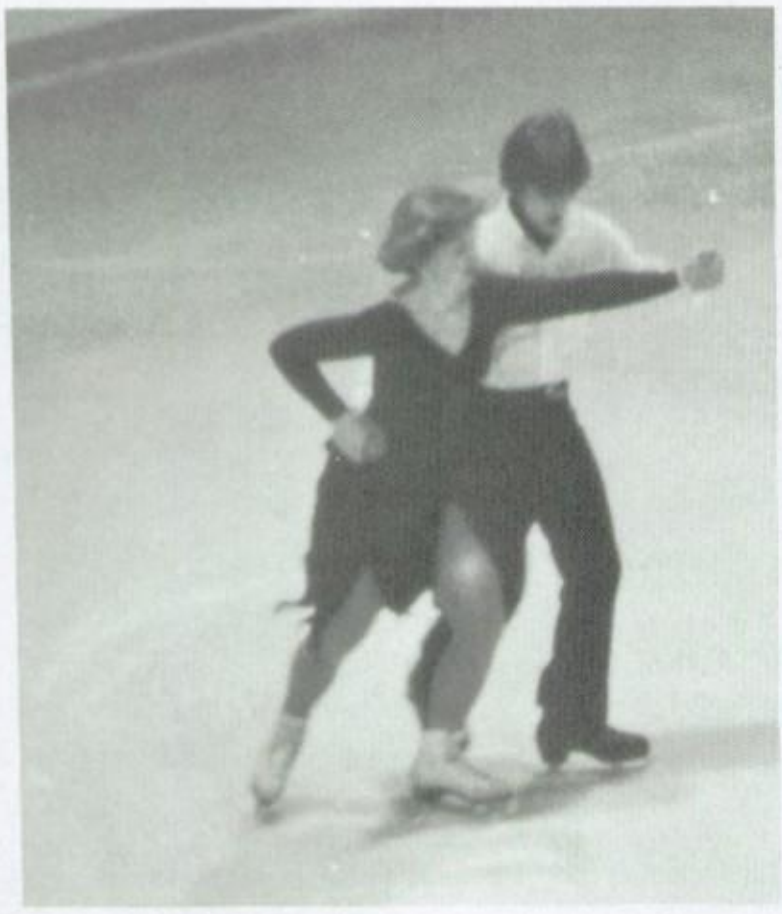
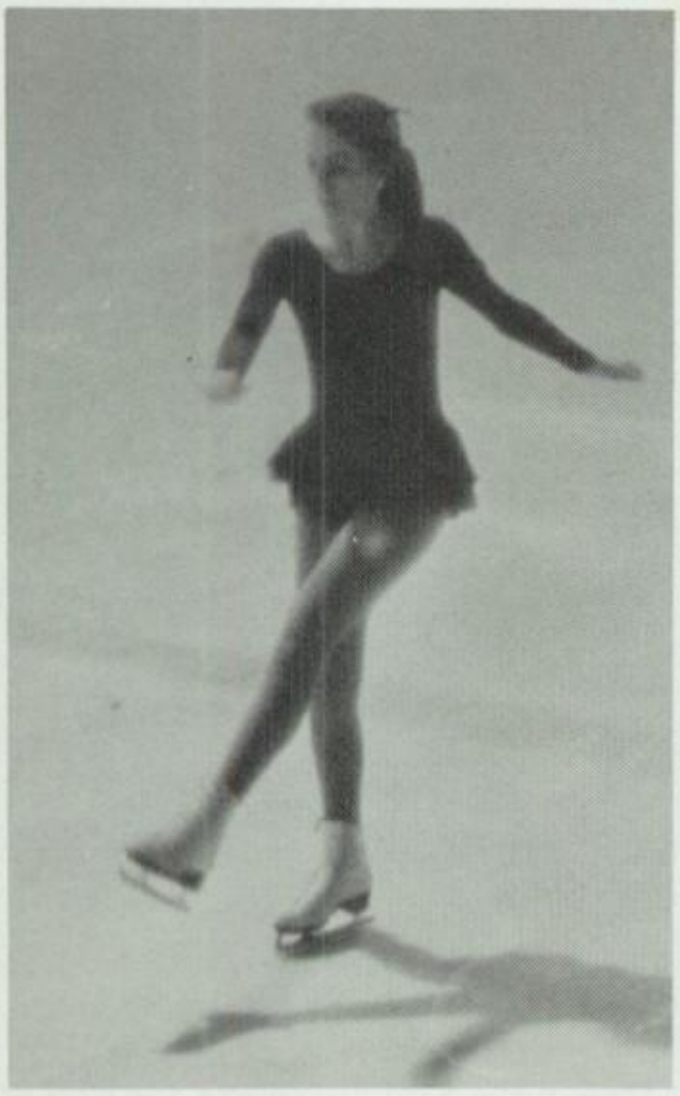
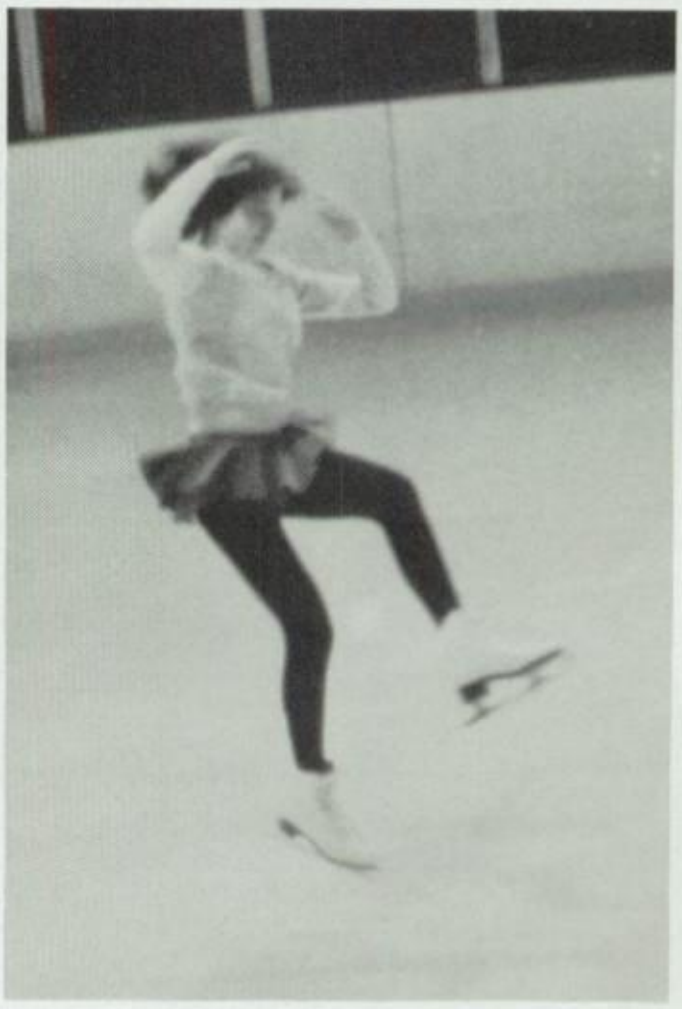
FIGURE SKATING







Once again, the figure skaters at North Yarmouth Academy began their winter season by getting up bright and early to be on the ice by 7:00 am. The common goal of the skaters was the Second Annual Figure Skating Assembly held in late March. It proved to be a greater success than last year with Jessica Church, Elizabeth Chapman, Allyson Palmer, Kristin Andrew, and Andrea Gove all preforming solo numbers. Gib Palmer and Elizabeth Chapman spent another year working together as a pair team and executed a fine program that showed their improvements over last year. Also this year Laura Haney and Kristina Andrew participated in the Rainbow Review held at the Cumberland County Civic Center. The assembly was very well done and received a nice round of applause from the students, faculty, and parents. Best wishes to the skaters for another successful year.

Jotul.
Energy-efficient, UL-LISTED beautiful alternatives to the high cost of winter.

When it comes to beating the high cost of winter, nobody has better answers than Jotul. This year the most famous stove line in the country brings you more models, in enameled colors and more styles and sizes than ever before. And the most advanced air-tight burning technology as well.

We've had well over a century to perfect our craft, and even though we're bringing you more answers to the high cost of winter than ever before, we're still making just one kind of stove. The best money can buy.

So whether you prefer a red Jotul to a black Jotul. Or a big Jotul to a little Jotul. Or a modern Jotul to a traditional Jotul. You can't make the wrong decision. All Jotuls will give you more heat from less fuel. And fuel is your biggest investment, year after year.

There's a Jotul that's just right for beating the high cost of winter in your home. Visit your Jotul dealer to find out about it soon. It's warm inside his shop.

JØTUL®

It's a good warm Jøtul or a long cold winter.
